### III. Categories of manuscripts\*\*:

**Editorials.** This section consists of invited brief editorial comments on particular subjects regarding works performed by Moroccan scientists within or outside Morocco.

**Research articles.** Manuscripts submitted in this category are expected to be concise, well organized and clearly written. The maximum length is 3,000 words, excluding the abstract, references, tables and figures.

**Invited Reviews.** Review articles on selected topics of interest for the readers of Biomatec Echo must not be longer than 5000 words excluding references, tables and figures. The inclusion of tables and figures to summarize critical points is highly desirable.

### IV. Manuscript submission:

Each manuscript must be sent as an attached document by email to:

- Guest editor of the issue
- or to [Biomatec.Bel@biomatec.org](mailto:Biomatec.Bel@biomatec.org)

### V. Organization of the manuscripts:

The submitted manuscript must be typed double-spaced throughout. Tables and figures must be sent in separate files from the text. Colored figures must be of high resolution (>300dpi).

***Title page.*** This page must contain: (1) title; (2) the names of the authors including the first names of all the authors in full; (3) the names of department(s) and institution(s) (5) name, address, telephone and fax numbers and electronic mail address of the corresponding author.

***Tables.*** They should be numbered consecutively in the text with Arabic numerals and each typed on a separate sheet with the table number and title centered above the table and explanatory notes below the table.

***Figure Legends.*** Should be typed and double spaced. They should be numbered according to the order of citation. Enough information should be provided to permit interpretations of figures without reference to the text.

***\*\*Authors are responsible for the intellectual content and the data of their manuscript.***
